There were no objections to this application.

PARISH LENGTHSMAN

It was noted that the lengthsman had commenced work for the summer but had not yet submitted an invoice for payment.

RECREATION GROUND

Trees

Keith Kirby advised he had met with a tree surgeon and that a quotation of £1800 had been received for the work required. It was suggested another quote be obtained as a comparison as it was noted that a less expensive quote had originally been obtained some time ago.

It was explained that a quote of £4,250 had been obtained from Bryan Cornthwaite to repair the wall and it was agreed that this should be accepted so the work could proceed.

GISBURN PLAYGROUND

It was explained that the documentation relating to the playground had been handed over prior to the meeting. However, Nadine Jackson had spoken to the Clerk and indicated that replacement of bark was a priority for the playground. A copy of the most recent playground inspection had been received and circulated to parish councillors via email.
