RECREATION GROUND

Trees

It was noted that there had been a suggestion that trees be planted on the Recreation Ground to make an avenue to the entrance to the village. It was agreed that nothing could be done in this regard without the permission of the landowner, even though the parish council rented the Recreation Ground.

Pavilion

It was noted that, although some work had been completed on the pavilion, further works were required.

PLANNING APPLICATIONS AND MATTERS

3/2024/0596 Great Dudlands

No objections

GISBURN PLAYGROUND

Nothing further had been heard about the playground so it was assumed that the GPFA had dealt with everything necessary so far.

It was noted that a suggestion had been made to plant some trees at the top of the playground where the zip wire used to be but this could not be discussed further without input from the GPFA.

HIGHWAYS AND FOOTPATHS

ANY OTHER BUSINESS

It was noted that a tree had fallen over the cenotaph gardens during a recent storm and some clearing up was still required so a working party to meet on a suitable date was suggested.

DATE OF NEXT MEETING
